# About Us

Founded in 2020 by **Mrs. Vandana Joshi**, a woman entrepreneur, Start Any Business (SAB) has become a leader in transparent business setup services in the UAE. With headquarters in Dubai and branch offices in Barsha, Japan, Mohali, and Ahmedabad, SAB has a team of 70+ professionals, each with more than a decade of industry expertise.

We stand out with our **100% transparent process**, providing official government bills for every service and clearly separating our service charges. SAB partners with 30+ Free Zones and Mainland authorities across the UAE and has been awarded multiple times for excellence

# Mission and Vision

## ➔ Mission

Our mission is to simplify business formation and growth in the UAE by offering reliable, straightforward services that help entrepreneurs navigate licensing, visas, compliance, and strategic planning, empowering them to succeed in a dynamic business environment.

## ➔ Vision

Our vision is to be the UAE's go-to business consultancy, empowering entrepreneurs and companies with the resources, expertise, and support needed to successfully launch and grow businesses in the region, making the process accessible and efficient.

# Our Comprehensive Range of Services

At Start Any Business (SAB), we provide a comprehensive range of services to help entrepreneurs establish and grow their businesses in the UAE. From company formation to strategic consultancy, we ensure seamless operations.

- ✓ Mainland & Free Zone Company Formation
- ✓ Business Licensing and Permits
- ✓ Visa Services: Investor, Partner, Employment
- ✓ PRO & Government Approvals
- ✓ Accounting, Tax Auditing & Compliance
- ✓ Business Strategy & Market Entry Consultancy

## Mainland & Free Zone Company Formation:

Start Any Business (SAB) can assist you with setting up your business in the UAE, whether through a mainland incorporation or a free zone. We guide you through the registration process, help with documentation, and ensure compliance with legal and regulatory requirements for efficient operations.

## Business Licensing and Permits:

We will handle the process of obtaining the required business licenses and permits for your company. We will make sure that all required and necessary documents are in place, allowing you to conduct commercial practices in this jurisdiction, mandated by UAE law, without any delays.

## Visa Services: Investor, Partner, Employment:

SAB offers comprehensive visa services for investors, partners, and employees. We manage investor and partner visas, work permits, and residency applications, and guarantee a smooth transition for you and your team to live and work in the UAE.

## **PRO & Government Approvals:**

We provide PRO services by managing the paperwork related to government authorities so that your business maintains compliance with all local regulations. We will assist you and manage permits, approvals, and submissions, and ensure all necessary documents are submitted.

## **Accounting, Tax, Auditing & Compliance:**

SAB offers accounting, tax, auditing, and compliance services to keep your business finances in order. We help with financial reporting, ensure tax efficiency, and guide you through regulatory compliance, ensuring your company meets UAE financial requirements.

## **Business Strategy & Market Entry Consultancy:**

We provide strategic consultancy for businesses entering the UAE market. Our experts help you design a solid business strategy, conduct market research, identify growth opportunities, and make sure that your business has the right approach to succeed in a competitive market.
